

2011 ANNUAL REPORT

Westshore

COMMUNITY FOUNDATION INC

Presidents Message – Gerald Knutson

The Westshore Community foundation has completed another successful year despite the downturn in the economy. We have managed to reach our goal of over \$1,000,000.00 and have distributed back to the community this year over \$21,791.93 in grants.

These grants have helped improve recreation facilities for children and families, expand health care facilities, preserve buildings and landmarks, and assist the disabled and ensuring the health of our lake and the environment.

In addition to the community grants another \$10,245.00 was distributed in scholarship funds to assist students in furthering their education.

The foundation is bringing people together, raising awareness about issues and engaging people as volunteers and donors. When we show pride in where we live, help our neighbors and envision a brighter future, our communities become stronger.

You can help your community by donating today and you can be assured that your legacy will be prudently invested and well managed. We are well aware of the important balance between grant making and the responsibility to protect capital for the future.

Please visit our web site for further information about how you can become involved financially or as a volunteer. We hope that this web site makes our operations easily accessible and we invite any comments, questions or suggestions for improvement. Also please feel free to call our office at 642-9796 or visit our office at 206 Beachview Professional building at 66 First Avenue Gimli, Manitoba.

2012 Board of Directors

Connie Magnusson-Schimnowski,
Shelley Narfason

Front: Oli Narfason, Don Matthewson,
Gerry Knutson, Tristin Tergesen

Missing: Dawna Suchy

Making a Difference in the Community

Foundation members are often asked – “If I donate to the Foundation where does my gift go?” And we easily answer, “Your donation goes back to the community where it helps many different local charities to deliver and expand their programs. The funds available for this community giving are here today and forever.”

Please think of Westshore Community Foundation for your 2012 Charitable Donations.

Your support enriches the lives of many people in our community.
