

2021

ANNUAL REPORT

PRESIDENT'S *Message*

*We recall clearly the optimism as we entered 2021.
The optimism stemmed from the general belief
that the ill effects from the pandemic were behind us.*

TIM ARNASON President
Westshore Community Foundation

We were happy to

get 2020 behind us. 2021 has been equally challenging and Westshore Community Foundation has not been immune to the challenges.

Our performance as a Community Foundation in terms of how we met these challenges can be measured a number of ways. We can look at our financial position and how this has changed over the year. More importantly, we can look at how we were able to address the growing needs within our catchment area.

Despite that we were unable to move forward with all of our fundraising efforts due to the pandemic, we are pleased at our very healthy financial position. The market recovery from the 2018 downturn continued and through these positive gains as well as the growth of existing funds and the addition of new funds, our assets are at an all-time high.

The ongoing support we receive from our donors, sponsors and partners strengthens our commitment to our mandate of Building a Lasting Legacy. Our resolve has never been stronger in terms of maintaining and building upon the exceptional quality of life that we enjoy.

Our granting programs, whether through our Community Endowment Fund or various designated funds, supported

several projects throughout our catchment area. While the needs of our not for profit sector organizations continues to grow, we are pleased that the extent of our support continues to grow as well.

The same holds true for our Scholarship programs. The Westshore Community Foundation is proud to assist students from the Foundation's catchment in obtaining post-secondary education. This includes students coming out of high school, already enrolled in an accredited post-secondary institution and returning to school as a mature student.

Our 2021 granting and scholarship support of approximately \$80,000 delivers on our mandate of Building a Lasting Legacy in our community. Westshore Community Foundation is YOUR Community Foundation. Our strength is drawn from your support. Your Board of Directors remains committed to continue the work necessary towards further growth and support.

2021 saw some movement within our Board. With warm thanks we bid farewell to Michele Couture, Giuseppe Dalzotto, Gerry Knutson and Ruby Tretiak. We welcome new members Randy Baldwin, Darlene Devlin and Teri Nicholson.

We also say farewell to Debra Merritt. Debra has been our administrative

support for over 10 years. A simple thank you seems entirely insufficient in terms of recognizing what Debra has given to our organization and to our community. Debra has been the glue that holds us together. She has always been singularly focussed on the health of the Foundation. She will be missed.

At the same time, we are delighted to welcome Krista Narfason to the position of Administrative Coordinator. Well known throughout our catchment area, Krista brings a strong skill set and equally strong commitment to Westshore Community Foundation's goals. Please join us in welcoming Krista. She would love to hear from you.

The close of 2021 brings an end to my term as President of Westshore Community Foundation. I am proud of the work we have done during my three year term. Any successes during my term are entirely credited to an incredible Board of Directors who tirelessly gives of their time and expertise and to our donors, partners and sponsors. Thank you all. It has been an honor. ♦

Despite the Challenges

that faced us all, 2021 was another very successful year for WCF. We measure our results in a number of ways; most notably by our ability to support the needs of our catchment and overall asset growth. Our results in these areas were very positive and we never lose sight of the fact that these results are reflective of the support we receive from our donors, sponsors and partners.

Our volunteer Board of Directors work very hard to deliver on our mandate and we extend our sincere thanks to all who support our efforts. This is YOUR Board and it is an honor for us to serve.

Building a Lasting Legacy

Please take a moment to visit us at westshorefoundation.ca or contact us at admin@wcf-foundation.ca or at 204-642-9796. We would love to hear from you.

With the relationship Westshore and Lakeview already in place prior to my arrival, mainly the Westshore Lakeview Charity Golf Tournament, it seemed to be a natural fit to continue this partnership- for both us and the community. Over the years we have both grown within the community and on our own Westshore/Lakeview relationship. Being a Manitoba owned and local company, and sharing the commitment of giving back to the areas we live and work, it was very natural for both of us to grow to where we are.

We look forward to continuing our relationship by partnering in even more events like the New Year's Eve Gala.

— Michael Lazer

WESTSHORE COMMUNITY FOUNDATION/ LAKEVIEW RESORT GIMLI PARTNERSHIP

Westshore cannot do what we do without the support from our donors, partners and supporters. There is no greater support than that provided by Lakeview Resort Gimli who has not only chosen us as their beneficiary of their annual golf tournament, but also whose presence is shown in so many other events that we embark upon.

Lakeview Resort Gimli shows community support in many ways and shares our commitment to improving the quality of life within our catchment area. Westshore Community Foundation recognizes the longstanding and continuing support and extends a sincere thank you to Michael Lazer, General Manager of Lakeview Resort Gimli and his entire team.

2021

Lakeview Gimli Resort

17TH ANNUAL BENEFIT GOLF TOURNAMENT

Winning Team

Most Honest Team

The 17th Annual Lakeview Resort & Conference Centre Benefit Golf Tournament was held on August 23, 2021 at the Links of the Lake golf course in Gimli, MB. Once again, the Westshore Foundation was the grateful recipient of the event's proceeds. The 2021 event was a huge success.

Our participant numbers remained steady despite recent interruptions with the pandemic. We increased our entries to 30 teams due to the strong interest and enthusiasm in the tournament (and had some teams on the waiting list) while still adhering to pandemic health restrictions in place. The day began with the 10:30 a.m. breakfast at Lakeview which was excellent and enjoyed by all. As in previous years, the "competition" was a scramble format which works well for a tournament as this, which focuses more on fun and socializing. The tournament was a great success and everything ran smoothly.

The event concluded with an outstanding dinner at the Lakeview at 6:00 p.m.

Lakeview's generosity towards our Foundation is remarkable and we feel very fortunate to be the beneficiary of this event. This longstanding and continuing support is a tangible example of our shared community commitment. We extend a

sincere thank you to General Manager Michael Lazer and his team.

Westshore is grateful for our major sponsors: *Noventis Credit Union, KC Enterprises, Giesbrecht & Sons GM, Winnipeg Blue Bombers, CANCESTRAL Card & Supply, Diageo, Gimli Pharmasave, Penn-Co, and Links at the Lake Golf Course.* Westshore deeply appreciates the hole sponsorships which include: *CIBC, Don Matthewson Group Insurance, Lighthouse Accounting, Home Hardware, Interlake Agencies, Knutson Builders, Minerva Tree Farms, Miram Financial, Olmar Enterprises, Sobey's, Splash Printing (In Kind), Sunlife Financial, Tergesen's, Taylor McCaffrey, RM of Gimli, and Lakeside Law.* We are also grateful for monetary donations from *Lakeview Dental, Dave & Charlotte Douglas, Tim & Del Arnason, Ruby & Robert Tretiak, and Gimli Rona.* We also received additional prizes from the following organizations/businesses including *Gimli Film Festival, New Iceland Heritage Museum, Icelandic Festival of Manitoba, Interlake Agencies, Noventis, Taylor McCaffrey, Gimli Glider, Don Matthewson Insurance, Head Over Heels, and Powder Princess.*

We also recognize our board members and volunteers who help to involve our communities and ensure the success of our events. Thank you to volunteers Chris Brooks, Janice Arnason, Jordan MacVicar, and Diane Phillips. ♦

DONOR & SCHOLARSHIP RECOGNITION

As Covid restrictions had eased, Westshore Community Foundation was pleased to return to our annual Donor Appreciation and Scholarship Awards Night. This event focuses on recognizing the achievements of our Scholarship recipients and their future academic plans. The evening also provides an opportunity to acknowledge individual donors who have set up funds with WCF and/or who have contributed to existing funds; as well as thanking our sponsors and partners who have supported us throughout the year.

RECIPIENTS

Westshore Community Foundation was delighted to support 17 very deserving students with over \$33,200 in total funds. Overall, the scholarships focus on students who have already completed a portion of post secondary studies, students who have graduated from a high school within our catchment area or those who meet the mature student requirements. We are excited to follow the journey of these students.

Westshore Community Foundation Grants are available annually to support community projects such as the Meleb Mushroom Statue Renewal, which received \$1,200 in 2021.

The Interlake Eastern Health Foundation was the recipient of a \$3,400 grant from Westshore Community Foundation in 2021. The funds were used to purchase a Vital Signs blood pressure monitor. A second monitor was procured using a generous donation from The Marj and Oli Narfason Endowment Fund and IEHF. These pieces of equipment helped support patient care at a time when Covid made looking after multiple patients especially challenging.

\$5,000 for Enclosed Gazebo and Furnishings at Riverton Care Services

The residents and staff love the screened in deck. The residents commented that they now can be outside without bugs and get to enjoy any weather. One resident watches all the cars go by and waves. They stated that they like the smell of the flowers and listening to the birds sing. Everyone enjoys having coffee, lunch or supper there too and doing their arts and crafts. One resident said we can sit outside and not get rain on our heads. Most of all they enjoy visits with their families and friends on the deck.

They all thank the foundation and will continue to enjoy this for many years to come.

CONGRATULATIONS

Two of Westshore Community Foundation Past Presidents recently received the Manitoba 150 Honor Recognition Award in commemoration of Manitoba's 150TH anniversary. This award recognizes and celebrates individual Manitobans for their outstanding contributions to the well-being of their communities.

Congratulations Oli Narfason and Tim Arnason on this significant honor and thank you both for choosing Westshore Community Foundation as their charitable recipient of choice of the financial portion of the award.
